

PUBLIC TRACK ENTRANCE

Due to construction, the south parking lot is not an entrance to the track. **Do not drive or walk into the construction area.** The gates will be locked at the end of business each day.

To access the track, park in the west lot and walk around the north side of the new building. There is a track entrance just north of the football bleachers.

FROM THE SUPERINTENDENT'S OFFICE

In with the New Out with the Old

We're In!!!! A big thank you to all our taxpayers. We are now operating from our new offices. It is kind of a bittersweet time when you consider that I spent my first 25 years working for this District in the old building. There have been a lot of great memories inside those now demolished walls; it is the building that my three kids and their friends grew up in and visited their dad's office for conversation and food. As you can see in the enclosed photos there are no walls in tact in the old building except for the gym. The reconstruction of that area begins on Monday the 15th. It should be an interesting project. It was exciting to host the 150 Year Alumni Banquet in our building on the 6th. There were a lot of great comments concerning both the banquet and the new building. Thanks again for your Generosity!
