2020-21 NSAA Spring Season Guidelines

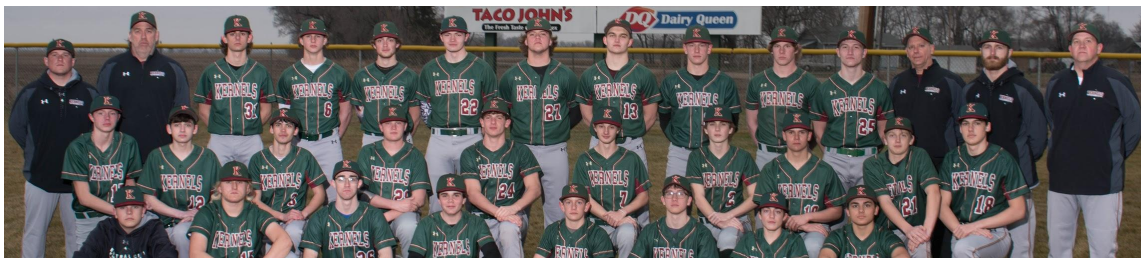

Effective: March 1, 2021

Circumstances related to the COVID-19 pandemic are constantly changing and vary from community to community. Decisions will have to be made from week to week or even day to day. The health and safety of students, staff, and Central City remain the priority as we provide opportunities to participate in the spring activities season.

FOR ALL SPRING ACTIVITIES:

Central City is requiring the following of schools, officials, and spectators for all spring season contests:

- Active participants are not required to wear face coverings during competition/performance.
- We recommend non-active participation and coaches wear face coverings during competition/performance.
- Spectators are required to wear face coverings for entrance to all activities. Face coverings may be removed if outside and 6 feet of physical distance can be maintained.
- Face coverings must cover the nose and mouth.
- Follow local/state DHM's for spectator attendance.
- Central City Public Schools may establish additional requirements in consultation with local health departments. Additional requirements implemented by Central City Public Schools will be the same for all schools, officials, judges, and spectators.
