

## **3028 Sex Offenders**

The safety of the students attending school is very important to the board of education. School employees, parents, and students should be aware of dangers posed by sex offenders living within the school district, and should be vigilant in providing protection against these dangers.

The Nebraska Legislature has enacted the Nebraska Sex Offender Registration Act. The Act requires sex offenders to register with the local county sheriff where they reside. Further information is available on the State Patrol's web page. It is prohibited to use the information for any retaliatory purpose against the sex offender, the offender's family, or the offender's employer. Only information deemed non-confidential pursuant to NEB. REV. STAT. §§ 29-4006 and 29-4009 will be disclosed.

The board does not generally permit registered sex offenders to school grounds, at any school-sponsored activity, or on any property under the control of the school district. The superintendent or his/her designee is hereby empowered to notify sex offenders of this policy and to grant limited permission to attend certain activities on a case-by-case basis.

Students who are registered sex offenders shall not be precluded from receiving a free education from the school district on that basis. The school district will consider a student's status as a registered sex offender in determining the student's educational placement and program.
